

VIPS TB REFERRAL INFORMATION

School Year 2018-2019

You can obtain Intradermal Test (Mantoux or PPD) TB testing from your insurance health care provider. The following facilities also offer low cost TB testing. Please attach your completed TB results to your VIPS application and submit it to your school site for processing.

This information lists only the cost of an Intradermal Test (Mantoux or PPD) and chest x-ray if available.

A negative TB test is valid for 4 years. A negative chest x-ray is required if skin test is positive. **For X-Ray clarification please call (562) 997-8307**
