

## COOKIE GIFT BOX

The Nutrition Services Branch offers a cookie gift box to recognize special occasions, birthdays, anniversaries, and achievements, to welcome a new employee or simply to say “Thank You” for a job well done.

Eight fresh baked cookies can be delivered in a cookie gift box with a message card. Choose from the following selection of cookies:

- Snickerdoodles
- Fudge
- Oatmeal Raisin
- Chocolate Chip

If cookies are to be delivered to a site cafeteria, the order will be shipped from the central kitchen with the appropriate driver. The central kitchen will send a copy of the form with the cookies to the receiving school site. The cafeteria supervisor at the delivery site will deliver to the designated department/office.

This service is \$10.00, which includes tax and delivery. Payment can be made directly at your site cafeteria or invoiced and billed to you directly. Fax or call five or more school days in advance of when cookie gift box is needed.
