

LONG BEACH UNIFIED SCHOOL DISTRICT

Instructional Television

2018-2019

Another learning opportunity from Multimedia Services

PLEASE POST

To: Teachers of Science Grades 3-9, Teacher Librarians

SCIENCE

The Weather Classroom
Grades 3 - 9

Helps students explore weather phenomena in ways that would not be safe in person. In addition to revealing the beauty and power of nature, the series demonstrates principles related to how weather works. Each program includes three separate eight minute segments. Further information for teachers is available at the following web page: www.weather.com/education/

Free Rights: Schools may tape off-air and keep for school video collection.

Friday

9:00, 10:30 am, 2:20 pm (30 minutes)
