- Schedule regular staff meetings and provide for in-service training. ***E***
- Act as liaison between District personnel, principal and staff. ***E***

*Note: At the end of some of the duty statements there is an italicized ***E*** which identifies essential duties required of the classification. This is strictly for use in compliance with the Americans with Disabilities Act.*

DISTINGUISHING CHARACTERISTICS

This specification serves three classifications in the class series for Kids' Club Supervisor. The essential factors that differentiate the levels of classification are the size, nature and scope of the program at the sites. Children population and program staffing guidelines are:

Kids' Club Supervisor I is allocated to program/sites with 50 children or less and supervision of a support staff of six or less employees.

Kids' Club Supervisor II is allocated to three to five individual program/sites with 50 to 90 children and supervision of a support staff of seven to twelve employees.

Kids' Club Supervisor III is allocated to five or more individual program/sites with over 90 children and supervision of a support staff of over twelve employees.

An incumbent in this class will be a working supervisor of an assigned Kids Club Program designed to provide child care both before and after regular school times, and may range from 6:00 - 6:30 a.m. to 6:00 - 6:30 p.m. or as otherwise established. They are expected to carry out the program within the established guidelines and regulations, with a minimum of direct daily supervision from the site administrator or central office administration. Incumbents in the Kids' Club Supervisor II and III classifications, with multi-site and multiple work assignments, are required to plan and delegate activities to subordinate staff in order to meet program objectives at the sites. Incumbents will be assigned a work schedule consistent with the operation of the program, which may be different from the general district calendar and work schedule. Positions in this classification do not participate in providing K-12 curriculum-based instructional assistance and are therefore exempted from the No Child Left Behind Act requirements.

EMPLOYMENT STANDARDS

Knowledge of:

- Learning and behavior patterns of children.
- Basic math - arithmetic addition, subtraction, division and multiplication.
- Record keeping techniques.
- Child behavior and behavior modification.
- Principles of supervision and training of adults.
- First aid.
