

§ 15497. Local Control and Accountability Plan and Annual Update Template.**Introduction:**

LEA: Long Beach Unified School District (LBUSD) Contact: Christopher J. Steinhauser, Superintendent of Schools, 562-997-8242, cstein@lbschools.net LCAP Year: 2014-17

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and annual update template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs should comply with instructions and use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards adopted by the state board for all pupils, including English learners. (Priority 2)

Course access: pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

Expelled pupils (for county offices of education only): coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

Foster youth (for county offices of education only): coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parent involvement: efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to engage parents, pupils, and the community and how this engagement contributed to development of the LCAP or annual update. Note that the LEA's goals related to the state priority of parental involvement are to be described separately in Section 2, and the related actions and expenditures are to be described in Section 3.

Guiding Questions:

- 1) How have parents, community members, pupils, local bargaining units, and other stakeholders (e.g., LEA personnel, county child welfare agencies, county office of education foster youth services programs, court-appointed special advocates, foster youth, foster parents, education rights holders and other foster youth stakeholders, English learner parents, community organizations representing English learners, and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representative parents of pupils identified in Education Code section 42238.01?
- 6) In the annual update, how has the involvement of these stakeholders supported improved outcomes for pupils related to the state priorities?

<p style="text-align: center;">Involvement Process</p>	<p style="text-align: center;">Impact on LCAP</p>
<p>Introduction</p> <p>Long Beach Unified School District (LBUSD) has numerous, long-standing structures in place for effective communication with key stakeholders, particularly when it comes to LBUSD’s Strategic Plan. The District also believes in systems reform – i.e., applying the same pedagogical approach with high expectations for all schools and for all students.</p> <p>For stakeholder engagement for the LCAP, LBUSD has continued to utilize the same effective communication structures. This strategy has sped the institutionalization of the LCAP’s key principles and state priorities, while allowing for seamless integration of LCFF with the CORE Waiver and LBUSD’s Strategic Plan.</p>	<p style="text-align: center; font-size: 48px; opacity: 0.2;">DRAFT</p>
<p>Student and Parent Support Survey</p> <p>In September 2013, the District released a Student and Parent Support Survey as an initial effort to engage the community-at-large. Over 13,000 open-ended responses were generated in answering five simple, yet poignant questions:</p> <ol style="list-style-type: none"> 1. How can LBUSD help more students to attend regularly? 2. How can LBUSD help more students to do well in their classes? 3. How can LBUSD help more students to graduate from high school? 4. How can LBUSD help more students to prepare for college and careers? 5. How can LBUSD help more parents to become involved in our schools? 	<p>Student and Parent Support Survey</p> <p>The survey became the anchor for the LCAP committee’s work over four months. Over 13,000 open-ended responses were generated from 2,700 completed surveys. See next session for details about the LCAP Committee.</p>
<p>LCAP Committee</p> <p>As a foundation to engagement, a Local Control Accountability Plan Committee was formed to work on data synthesis, analysis, and discussion and made recommendations to the Board of Education. This committee represents stakeholders within and beyond the District. Sixty-six stakeholders were heavily involved in this critical work. Membership represented LBUSD students, LBUSD staff, parents, collective bargaining associations, LBUSD advisory committees, university and college staff, business and community members, and community advocate groups. It is important to note that the groups were selected as a result of past relationships built for other District initiatives and that the individuals were selected by the groups themselves.</p> <p>This committee held four public meetings from October 2013 through late January 2014, as well</p>	<p>LCAP Committee</p> <p>The recommendations of the LCAP Committee, which were accepted by the Board of Education at a Special Meeting on February 11, 2014, are as follows:</p> <p><u>Attend School Regularly</u></p> <ul style="list-style-type: none"> - Expand counseling, social work, and other support services that comprehensively address the needs of students. - Provide support for teachers so that they can personalize their teaching and ultimately improve their relationships with students.

<p style="text-align: center;">Involvement Process</p>	<p style="text-align: center;">Impact on LCAP</p>
<p>as presenting twice to update the Board of Education. These meetings were televised and are posted on the District Website. The commitment of the District is to continue holding meetings of the LCAP Committee as a vehicle for transparency, engagement and advocacy for students.</p> <p>The LCAP committee was engaged in synthesis and analysis of the Student and Parent Support Survey responses. Deliberations at the LCAP Committee meetings ensued to whittle over 100 themes to 33 prominent categories, such as communication, extended learning, early intervention, counseling, climate, parent education, outreach, mentoring and college and career readiness.</p> <p>From these categories, work was centered to develop clear, concise and actionable recommendations to the Board of Education, which reflect the state priorities for local control.</p>	<ul style="list-style-type: none"> - Identify resources that can help to reinstate transportation services. <p><u>Do Well In Class</u></p> <ul style="list-style-type: none"> - Hire additional teachers and other staff members such as counselors, psychologists, and assistant principals to reduce class sizes and provide greater student support. - Increase extended learning opportunities such as summer school, intersession, before/after school interventions, and enrichment programs. - Expand professional development for teachers so that they can become more skilled in creating hands-on experiences for students. <p><u>Graduate from High School</u></p> <ul style="list-style-type: none"> - Explore online programs that enhance college and career planning for students, parents, counselors, and other staff. - Expand the Linked Learning Initiative, particularly by increasing career technical education courses and work-based learning programs. - Increase extended learning opportunities such as summer school, intersession, before/after school interventions, and enrichment programs. <p><u>Prepare for College and Careers</u></p> <ul style="list-style-type: none"> - Ensure adequate full-time counseling at each school to provide information and guidance on college and career readiness. - Incorporate into the elementary school curriculum the basic requirements for successful middle school completion, high school graduation, and college and career readiness. - Enhance current Linked Learning pathways by increasing the variety of career technical education offerings. <p><u>Involve Parents</u></p> <ul style="list-style-type: none"> - Increase parent access to school information online and partner with community organizations to provide basic technology resources at sites. - Provide families with strategies to support their child’s education at home and

<p style="text-align: center;">Involvement Process</p>	<p style="text-align: center;">Impact on LCAP</p>
	<p>deliver these resources through multiple venues, including parent workshops, online communications, and hard copies.</p> <ul style="list-style-type: none"> - Expand opportunities for parents to understand and support what is happening at schools. <p>These recommendations set the table for schools to engage their School Site Councils with laser-like focus in providing supportive programs and services to meet the needs of students at their school, especially for low-income, foster and English learner students.</p>
<p>District Staff as Stakeholders</p> <p>The development of site needs assessments and single plans has been a focus for the Level Offices (Assistant Superintendent, Secondary Schools and Assistant Superintendent, Elementary and K-8 Schools); the Office of Equity, Access, and College & Career Readiness (EACCR); and the Business & Finance Office, as a result of the LCFF and Waiver flexibility of funds at the local School Site Council level. The Continuous Improvement Expenditure Plan (CIE) was created as an online tool for schools to assist with planning of the Single Plans and LCFF/Title I accountability. The Superintendent, Level Offices, EACCR and Budget review the CIE for compliance, especially in the areas of needs assessment and monitoring effectiveness. Training for principals on the CIE tool was prioritized in the Fall. Sites were trained about plans, budget, and compliance in the Winter with ten workshops presented to principals and other site staff. In conjunction with the trainings, the state’s Federal Program Monitoring results assisted with augmented training topics. Ongoing support for sites regarding aligned plans come in the form of drop-ins after Principal Meetings, as well as four more Principal Workshops in February.</p> <p>The Superintendent has presented updates and solicited feedback regarding the LCFF to District staff at the Superintendent’s Annual Management Meeting, “Coffee with Chris” forums, as well as through the District Bulletin (bi-weekly staff newsletter), Twitter and District Website. The Level Assistant Superintendents presented updates and solicited feedback at their Principals’ Meetings. The Level Offices are also charged with Walkthroughs, known as Collaborative Inquiry Visits (CIV), to monitor progress on implementation and Professional Development for principals in working and supervising the CCSS implementation in the classroom.</p> <p>SSC training is scheduled for the summer to build capacity of schools to engage in meaningful dialogue and making decisions based on need.</p>	<p>District Staff as Stakeholders</p> <p>As a result of the enhanced discretion of funds for sites because of LCFF funding, there has been renewed attention for quality support and feedback for proposed site activities and their proposed effect on meeting the needs of the most needy students in a compliant manner. The emphasis on quality activities to meet the identified needs of students is captured in the LCAP.</p>

<p style="text-align: center;">Involvement Process</p>	<p style="text-align: center;">Impact on LCAP</p>
<p>Parents as Stakeholders</p> <p>The Superintendent has presented updates and solicited feedback regarding LCFF, LCAP and state priorities to parents at the following venues: Superintendent’s Parent Forum as well as focused press releases, Twitter, and SchoolMessenger/SchoolLoop. The Level Assistant Superintendents have presented updates and solicited feedback at their Parent Forums. The Director of Equity, Access, and College & Career Readiness has presented updates and solicited feedback at the District Community Advisory Committee (DCAC), District English Learner Advisory Committee (DELAC), Concerned African-American Parents (CAAP), and Private School Consultation Meetings. In addition, school sites have used multiple methods of communicating LCFF topics to parents, including Back to School Night, Annual Title I Meeting, School Site Council, English Learner Advisory Council, Title I Newsletters, and other parent outreach activities.</p>	<p>Parents as Stakeholders</p> <p>Effective communication has been an emphasis throughout the process of the development of the LCAP. Multiple, established methods of communicating with parents stakeholders impacts the LCAP, as transparency and open, frequent opportunities for giving feedback are the hallmarks of a solid plan. The recommendations from the LCAP Committee have been validated through the forums.</p>
<p>Teachers as Stakeholders</p> <p>As with many topics at the Level Assistant Superintendents’ Principal Meetings, there is an expectation for communicating with site staffs through staff meetings, as well as site bulletins. In addition, the Level Assistant Superintendents’ Teacher Councils provides opportunity for disseminating information and soliciting feedback. Due to the urgent nature of implementation of the Waiver and LCFF, the Superintendent called for a special meeting with the Teachers’ Association of Long Beach (TALB - the collective bargaining unit) to continue the dialogue with TALB leadership and, importantly, school site representatives as elected by their colleagues. This meeting assisted in the understanding of the Waiver and LCFF.</p>	<p>Teachers as Stakeholders</p> <p>Effective communication has been an emphasis throughout the process of the development of the LCAP. Multiple, established methods of communicating with parents stakeholders impacts the LCAP, as transparency and open, frequent opportunities for giving feedback are the hallmarks of a solid plan. The recommendations from the LCAP Committee have been validated through the forums.</p>
<p>Community-at-Large as Stakeholders</p> <p>Notwithstanding the LCAP Committee which has members of various community groups, organizations, higher education institutions, and businesses, and the School Site Councils, the Director of Equity, Access, and College & Career Readiness has presented updates and solicited feedback at the District Community Advisory Committee (DCAC), Concerned African-American Parents (CAAP), and District English Learner Advisory Committee (DELAC).</p> <p>In addition, new to the LBUSD webpage, a “dashboard” has been created on the homepage consisting of Waiver issues, Strategic Planning, and Local Control Funding Formula, which serves to inform the public about key activities, budgets, updates, meetings, and data. It is the District’s desire to provide accurate information and create continuity of efforts between implementation of the Strategic Plan, the Waiver and the LCAP.</p>	<p>Community-at-Large as Stakeholders</p> <p>Effective communication has been an emphasis throughout the process of the development of the LCAP. Multiple, established methods of communicating with stakeholders impacts the LCAP, as transparency and open, frequent opportunities for giving feedback are the hallmarks of a solid plan. The recommendations from the LCAP Committee have been validated through the forums.</p>

<p style="text-align: center;">Involvement Process</p>	<p style="text-align: center;">Impact on LCAP</p>
<p>Students As Stakeholders</p> <p>Students were prominent players in the development of the LCAP. In fact, one of the LCAP Committee’s norms was to “Give Youth Priority to Speak.” While working in groups, several group facilitators were, indeed, students.</p> <p>In addition, the Superintendent met with student groups at the high school campuses to ensure that student voices were not only heard, but incorporated into the LCAP.</p>	<p>Students As Stakeholders</p> <p>Effective communication has been an emphasis throughout the process of the development of the LCAP. Multiple, established methods of communicating with stakeholders impacts the LCAP, as transparency and open, frequent opportunities for giving feedback are the hallmarks of a solid plan. The recommendations from the LCAP Committee have been validated through the forums.</p>
<p>In Progress</p> <p>As a result of the unveiling of the draft LCAP, a new online survey will launch on May 14, 2014. The survey endeavors to further engage the community in their reaction to the draft LCAP and its recommendations. The responses, largely open-ended, will be considered to further improve and strengthen the recommendations in the LCAP. The survey speaks to each of the three sections and asks for “suggestions (additions/deletions/revisions)” to make to the draft LCAP. The survey also asks, “The state’s new funding system is intended to provide support to schools and students, with the expectation that quality services and interventions will be targeted to needy students. In your view, how does the draft LCAP address the support for schools and students?” With ratings of “Fully/ Substantially/ Fairly/ Poorly/ Does Not address the support for Schools and Students”</p> <p>Further, there are several forums that the sole item on the agenda is Community Engagement/Comment about the draft LACP. The intent of these forums is to ensure that the community is not only receiving information about the contents, but give opportunities to share thoughts and recommendations that will be considered in LCAP revisions. The following forums are scheduled for May:</p> <ul style="list-style-type: none"> - Special LCAP Principal Meeting - DCAC Meeting - DELAC Meeting - CAAP Meeting <p>Board of Education Meetings (one of which is solely LCAP information; LCAP Public Hearing and LCAP Action)</p> <p>In addition, the LCAP Committee will be re-engaged in the process through a special survey in conjunction with the community survey. The results of this survey will be taken back to the LCAP Committee for further discussion.</p>	<p>In Progress</p> <p>Revisions to the LCAP as a result of the ongoing efforts to solicit feedback on the draft LCAP will be recorded in the final draft of the LCAP. Survey results will be considered for the final draft of the LCAP. In anticipation of questions generated from the survey, an FAQ will be created and widely distributed to further enhance communication of the LCAP.</p> <p>LBUSD is committed to the continuing of a transparent and strong engagement of all stakeholders in a process for ongoing improvement of the LCAP plan, as well as ensuring that the state priorities and the focus of resources are, indeed targeted to the needs of students at the most local level- the school.</p>

Section 2: Goals and Progress Indicators

*For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, for **each** state priority and any local priorities and require the annual update to include a review of progress towards the goals and describe any changes to the goals.*

Instructions: Describe annual goals and expected and actual progress toward meeting goals. This section must include specifics projected for the applicable term of the LCAP, and in each annual update year, a review of progress made in the past fiscal year based on an identified metric. Charter schools may adjust the chart below to align with the term of the charter school’s budget that is submitted to the school’s authorizer pursuant to Education Code section 47604.33. The metrics may be quantitative or qualitative, although LEAs must, at minimum, use the specific metrics that statute explicitly references as required elements for measuring progress within a particular state priority area. Goals must address each of the state priorities and any additional local priorities; however, one goal may address multiple priorities. The LEA may identify which school sites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or school site. The goals must reflect outcomes for all pupils and include specific goals for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the school site level. To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, school site-level advisory groups (e.g., school site councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to “Engagement” (e.g., pupil and parent)?
- 4) What are the LEA’s goal(s) to address locally-identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for subgroups as defined in Education Code sections 42238.01 and 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific predicted outcomes/metrics/noticeable changes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority and/or to review progress toward goals in the annual update?
- 9) What information was considered/reviewed for individual school sites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) In the annual update, what changes/progress have been realized and how do these compare to changes/progress predicted? What modifications are being made to the LCAP as a result of this comparison?

Identified Need and Metric (What needs have been identified and what metrics are used to measure progress?)	Goals			Annual Update: Analysis of Progress 2013-14 data unless otherwise stated	What will be different/improved for students? (based on identified metric)			Related State and Local Priorities (Identify specific state priority. For districts and COEs, all priorities in statute must be included and identified; each goal may be linked to more than one priority if appropriate.)
	Description of Goal	Applicable Pupil Subgroups (Identify applicable subgroups (as defined in EC 52052) or indicate "all" for all pupils.)	School(s) Affected (Indicate "all" if the goal applies to all schools in the LEA, or alternatively, all high schools, for example.) Section 3: Actions, Services, and Expenditures

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require the LCAP to include a description of the specific actions an LEA will take to meet the goals identified. Additionally Education Code section 52604 requires a listing and description of the expenditures required to implement the specific actions.

Instructions: Identify annual actions to be performed to meet the goals described in Section 2, and describe expenditures to implement each action, and where these expenditures can be found in the LEA’s budget. Actions may describe a group of services that are implemented to achieve identified goals. The actions and expenditures must reflect details within a goal for the specific subgroups identified in Education Code section 52052, including pupils with disabilities, and for specific school sites as applicable. In describing the actions and expenditures that will serve low-income, English learner, and/or foster youth pupils as defined in Education Code section 42238.01, the LEA must identify whether supplemental and concentration funds are used in a districtwide, schoolwide, countywide, or charterwide manner. In the annual update, the LEA must describe any changes to actions as a result of a review of progress. The LEA must reference all fund sources used to support actions and services. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 2) How do these actions/services link to identified goals and performance indicators?
- 3) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA’s budget?
- 4) In the annual update, how have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 5) In the annual update, how have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 6) In the annual update, how have the actions/services addressed the identified needs and goals of specific school sites and did the provision of those actions/services result in the desired outcomes?
- 7) In the annual update, what changes in actions, services, and expenditures have been made as a result of reviewing past progress and/or changes to goals?

A. What annual actions, and the LEA may include any services that support these actions, are to be performed to meet the goals described in Section 2 for ALL pupils and the goals specifically for subgroups of pupils identified in Education Code section 52052 but not listed in Table 3B below (e.g., Ethnic subgroups and pupils with disabilities)? List and describe expenditures for each fiscal year implementing these actions, including where these expenditures can be found in the LEA’s budget.

Goal (Include and identify all goals from Section 2)	Related State and Local Priorities (from Section 2)	Actions and Services	Level of Service (Indicate if school-wide or LEA-wide)	Annual Update: Review of actions/services	What actions are performed or services provided in each year (and are projected to be provided in years 2 and 3)? What are the anticipated expenditures for each action (including funding source)?

It integrates key districtwide efforts to expand postsecondary opportunities, namely college and career awareness, parent outreach, enhanced counseling, targeted interventions, and mentoring, among many others. More broadly, LBUSD supports the personal and intellectual success of every student, every day. It provides targeted services – in group or individual settings -- that relate to academic, behavioral, social-emotional, health, psychological, and other needs.

DRAFT

B. Identify additional annual actions, and the LEA may include any services that support these actions, above what is provided for all pupils that will serve low-income, English learner, and/or foster youth pupils as defined in Education Code section 42238.01 and pupils redesignated as fluent English proficient. The identified actions must include, but are not limited to, those actions that are to be performed to meet the targeted goals described in Section 2 for low-income pupils, English learners, foster youth and/or pupils redesignated as fluent English proficient (e.g., not listed in Table 3A above). List and describe expenditures for each fiscal year implementing these actions, including where those expenditures can be found in the LEA’s budget.

Goal (Include and identify all goals from Section 2)	Related State and Local Priorities (from Section 2)	Actions and Services	Level of Service (Indicate if school-wide or LEA-wide)	Annual Update: Review of actions/services	What actions are performed or services provided in each year (and are projected to be provided in years 2 and 3)? What are the anticipated expenditures for each action (including funding source)?		
					LCAP YEAR Year 1: 2014-15	LCAP YEAR Year 2: 2015-16	LCAP YEAR Year 3: 2016-17
For Low Income Pupils							
Conditions of Learning (CL) Goals: 1, 2, 3, 4, 5, 6, 7 Pupil Outcomes (PO) Goals: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17 Engagement (EN) Goals: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10	Priority #1 Priority #2 Priority #3 Priority #4 Priority #5 Priority #6 Priority #7 Priority #8	Allocate resources directly to schools so that they can address the unique needs of their students. These allocations make up roughly two-thirds of the total LCFF Concentration Grant on annual basis. Site expenditures are expected to align with the State Priority Areas, LCAP Committee recommendations, LBUSD’s No Child Left Behind Waiver Plan, and other local efforts to promote college and career readiness, with an emphasis on low income pupils, English Learners, Redesignated Fluent English Proficient Pupils, and Foster Youth to close achievement gaps.	School-wide	N / A	\$7,500,000	\$11,500,000	\$16,700,000
Conditions of Learning (CL) Goals: 4 Pupil Outcomes (PO) Goals: 1, 16 Engagement (EN) Goals: 10	Priority #2 Priority #4 Priority #6	Expand the use of literacy classrooms in high-need elementary and K-8 schools. This service targets third grade in 2014-15, then adds second grade in 2015-16 and first grade in 2016-17. It addresses the LCAP Committee recommendations, specifically: – Hire additional teachers and other staff members such as counselors, psychologists, and assistant principals to reduce class sizes and provide greater student support.	School-wide	N / A	\$3,800,000	\$7,600,000	\$11,400,000

Goal (Include and identify all goals from Section 2)	Related State and Local Priorities (from Section 2)	Actions and Services	Level of Service (Indicate if school-wide or LEA-wide)	Annual Update: Review of actions/services	What actions are performed or services provided in each year (and are projected to be provided in years 2 and 3)? What are the anticipated expenditures for each action (including funding source)?		
					LCAP YEAR Year 1: 2014-15	LCAP YEAR Year 2: 2015-16	LCAP YEAR Year 3: 2016-17
<p>Conditions of Learning (CL) Goals: 6, 7</p> <p>Pupil Outcomes (PO) Goals: 3, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16</p> <p>Engagement (EN) Goals: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10</p>	<p>Priority #3 Priority #4 Priority #5 Priority #6 Priority #7</p>	<p>Expand counseling support and Advanced Placement (AP) college readiness outreach. The counseling support targets high-need elementary and K-8 schools in 2014-15, then spreads to other elementary, K-8, and middle schools in 2015-16 and wherever significant student priorities remain in 2016-17. The AP outreach is primarily geared toward underrepresented students, including low income pupils, English Learners, and foster youth.</p> <p>This expansion addresses the LCAP Committee recommendations, specifically:</p> <ul style="list-style-type: none"> - Expand counseling, social work, and other support services that comprehensively address the needs of students. - Hire additional teachers and other staff members such as counselors, psychologists, and assistant principals to reduce class sizes and provide greater student support. - Explore online programs that enhance college and career planning for students, parents, counselors, and other staff. - Ensure adequate full-time counseling at each school to provide information and guidance on college and career readiness. - Incorporate into the elementary school curriculum the basic requirements for successful middle school completion, high school graduation, and college and career readiness. 	School-wide	N / A	\$4,350,000	\$5,200,000	\$5,810,000

Goal (Include and identify all goals from Section 2)	Related State and Local Priorities (from Section 2)	Actions and Services	Level of Service (Indicate if school-wide or LEA-wide)	Annual Update: Review of actions/services	What actions are performed or services provided in each year (and are projected to be provided in years 2 and 3)? 					LCAP YEAR Year 1: 2014-15	LCAP YEAR Year 2: 2015-16	LCAP YEAR Year 3: 2016-17
Conditions of Learning (CL) Goals: 1, 2, 3 Pupil Outcomes (PO) Goals: Engagement (EN) Goals: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10	Priority #1 Priority #3 Priority #5 Priority #6	Provide general support to schools in their efforts to implement the LCAP. This service includes:					
		<ul style="list-style-type: none"> - Campus security and police support; 	LEA-wide	N / A	\$2,400,000	\$2,400,000	\$2,400,000
		<ul style="list-style-type: none"> - Planning and completion of maintenance projects at sites; and 	LEA-wide	N / A	\$0	\$1,000,000	\$3,000,000
		<ul style="list-style-type: none"> - Administrative services and contracts, including SchoolLoop (communication portal for students, parents, and staff), The College Board (Advanced Placement, SAT, and PSAT), and MIND Research Institute (math instructional software), among others. 	LEA-wide	N / A	\$2,020,000	\$2,020,000	\$2,020,000
		<ul style="list-style-type: none"> - California State Teachers' Retirement System (CalSTRS) pension reform contributions It addresses the LCAP Committee recommendations, specifically:	LEA-wide	N / A	\$0	\$9,000,000	\$14,400,000
		<ul style="list-style-type: none"> - Expand counseling, social work, and other support services that comprehensively address the needs of students. - Explore online programs that enhance college and career planning for students, parents, counselors, and other staff. - Increase parent access to school information online and partner with community organizations to provide basic technology resources at sites. 					

- C. Describe the LEA's increase in funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5). Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496. For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a school site in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district's goals for unduplicated pupils in the state priority areas. (See 5 CCR 15496(b) for guidance.)

In 2014-15, LBUSD has approximately \$30 million in additional Supplemental and Concentration funds. These resources are projected to support the expansion of site discretionary resources; literacy classrooms in high-need elementary and K-8 schools; counseling support and Advanced Placement (AP) college readiness outreach, particularly for underrepresented students; nursing services; library education; psychologists; college and career readiness efforts; technology infrastructure and support; and programs that focus on prevention, early intervention, and leadership opportunities for promising students from historically disadvantaged backgrounds; among many others. Detailed expenditures will be provided once the prior sections are finalized.

- D. Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

This section will be completed once the prior sections are finalized; the base, supplemental, and concentration expenditures are fully identified; and investments for 2014-15 are confirmed.
