Principal(s): David Komatz

Submit Date: June 2, 2015

Status: Approved

---

**Professional Development Focus Area(s):**

5 Key Strategies of Formative Assessment- Including work with Learning Targets, Success Criteria, Collecting Evidence of Student Learning, and Providing Feedback

Year 2 for Write from the Beginning- Staff will continue the work with a structured school-wide writing program by delving deeper into the various grade-level genres for writing related to the CCSS

TK-5 Thinking Map Implementation

---

**Expected Outcome:**

Teachers will continue to increase their knowledge of the pedagogical shifts related to their understanding of the Embedded Formative Assessment process. The key strategies, in conjunction with LBUSD's four understandings and Henry's work with the CCSS in Spanish and English, will be applied in classroom instruction and will increase student achievement as evidenced through the use of student assessments. In addition, teachers will implement best practices for writing in a variety of grade-level genres supported with the use of Thinking Maps. Increased opportunities for grade-level collaboration and peer observation will lead to increased student achievement as evidenced by state and district assessments.
