2015-2016
INTERVENTION PLAN**

School: Kettering

Principal(s): Juan C. Gutierrez

Submit Date: March 10, 2015

Status: Approved

Intervention Focus:

In support of our English Language Learners and those students struggling with reading and math fact proficiency, the college aide support will provide necessary interventions with language development, phonics, sight word recognition, fluency progress, and math facts practice towards proficiency.

Expected Outcome:

All students in grades first through fifth grade will reach or surpass the district average in all math facts operations proficiency. English Language Learners will be provided with primary language support and/or access to the core curriculum using small group instruction and SADAIE strategies.
