

Continuous Improvement Expenditure Plan
2015-2016
INTERVENTION PLAN

School: Millikan

Principal(s): Alejandro Vega
Michael Navia

Submit Date: January 13, 2016

Status: Approved

Intervention Focus:

Improve college-going culture by setting high expectations and providing support for completion of a-g requirements by all students in all subgroups. Decrease the academic achievement gap between gender, ethnic groups, special education students, and Small Learning Communities by increasing equity and access to rigorous curriculum integrated with career and technical skills.

Expected Outcome:

Millikan will hire an intervention teacher for students who have been struggling in algebra. The students will include 9th graders who have been identified as failing algebra and 10th and 11th graders who are repeating algebra because of previous failures.

Intervention Project Timeline

Ln	Dates	Description	Priority Area(s)
6	09/01/2015 06/30/2016	Millikan High School has determined a need for a 100% Instructional Assistant Computer Resources. This Instructional Assistant Computer Resources will facilitate the use and maintenance of the two Common Core Labs, one CAHSEE Lab, One ELD Lab and One Science Lab. The Instructional Assistant Computer Resources will perform light repairs, make sure that the labs are in working order and schedule teacher/class visits to the various labs. This Instructional Assistant Computer Resources will help the teachers deliver curriculum when needed due to his or her superior knowledge of software and hardware. This Instructional Assistant Computer Resources will also facilitate large format standardized testing.	School Climate Student Engagement

Person(s) Responsible: Principal
Computer Technician

Frequency: Daily

SPSA/AM:

Identified Need: The teachers and staff of Millikan High School determined that we need to have better access and service to our labs on campus. We have many instances when our labs were left in a non-working order by teachers and classes. Also, the WASC 2013 Committee identified technology as a critical need.

Target Group: All members of the teaching staff and student body.

Monitoring: Instructional Assistant Computer Resources will keep an activity log to represent the jobs and amount of time for their various jobs.

Personnel Summary: Instructional Assistant Computer Resource 1 FTE - LCFF 100%
