

Continuous Improvement Expenditure Plan
2015-2016
INTERVENTION PLAN

School: Naples

Principal(s): Elizabeth R. Flynn

Submit Date: March 5, 2015

Status: Submitted

Intervention Focus:

Students will receive extra academic support and lower teacher student ratio in fourth and fifth grade by reducing the class size from 35 to one to 30 to one. Students will be placed in single grade classes instead of combination classes. One teacher extra teacher will be hired to reduce the class size and allow for only one grade level per class.

Expected Outcome:

100% of the focus in fourth and fifth grade will be on a single grade level allowing more time for concentrated grade level instruction including language arts, math, science, and social studies. There will be more time for small group and individual instruction and assistance for students in fourth and fifth grade. Academic progress will be accelerated in language arts, math, social studies and science.
