1	09/02/2015 06/16/2016	<p>PIQE is a program for parents that give them skills to assist their children to graduation and beyond. During ELAC advisement at SSC the ELAC parents requested PIQE parent trainings. ELASC and SSC have received information and want to implement the program during the 2015-2016 school year. The program would help all families in getting their students college and career ready.</p> <p>PIQE encourages and supports parents to take a participatory role in their child's education by: learning how to navigate the school system, collaborating with principals and counselors, encouraging college attendance, supporting their child's social and emotional development, and creating a supportive home learning environment. Each child of a PIQE graduate will receive a "College Invitation Certificate."</p> <p>Scope of Services: Over nine weeks PIQE will recruit parents, provide a needs assessment session, conduct a series of weekly training sessions for parents culminating in a graduation ceremony with certificates given to parents who attend 4 or more parent training sessions. The trainings are designed to develop skills and techniques which will enable parents to address the educational needs of their students.</p> <p>Cost: \$5000 for the implementation of the PIQE program. The flat fee covers the cost of 2 instructors during a single time frame and materials for a maximum of 50 parents. In addition a fee of \$100 will be accrued for each graduate (those who attended 4 or more classes during the 9-week course) exceeding the 50 parent maximum. One IOA to provide child care at each of the 9 sessions (20 hrs total), light snack for children, not to exceed \$100.</p>	Parent Involvement Student Achievement Other Student Outcomes
