

**Continuous Improvement Expenditure Plan
2015-2016
PROFESSIONAL DEVELOPMENT PLAN**

School: Powell

Principal(s): Wendy M. Clafflin

Submit Date: November 16, 2015

Status: Approved

Professional Development Focus Area(s):

Common Core Implementation: opportunities for staff to learn Common Core ELA and Math units of instruction and best practice including the 5 U's; opportunities for staff to collaborate, create, score, and analyze specific common Core ELA and Math lessons and assessments; opportunities for middle school staff to learn and collaboratively plan to integrate literacy strategies across the content areas; opportunities for staff to learn, plan, and develop technology infused lessons and assessments into the Common Core, including ST math workshops

Expected Outcome:

ELA, Math, and other content teachers will increase their understanding of the California CC standards and best practices; ELA, Math, and other content teachers will experience increased success through collaboration, including planning, creating lessons and assessments, collaboratively scoring assessments, and developing technology infused lessons across the content areas.

Scope and Sequence

Ln	Dates	Description	Priority Area(s)
1	07/01/2015 06/30/2016	Teachers, specialists, and administrators will meet by grade level, grade level spans, or department areas to increase their expertise with Common Core standards and information including CORE survey data and strategies as presented by ILT, Safe & Civil, and other site and district leaders, including ELA, Math, Literacy, Write from the Beginning and Write from the Beginning & Beyond strategies, and/or collaboratively plan lessons, create assignments and assessments, score and analyze assessments and projects, and to learn how to develop technology embedded lessons into CC lessons. These sessions will take place on an ongoing basis and may include integration with other CIV sites. Workshops may range from one or two hours per session for learning content to all day sessions for planning lessons, developing assignments, and assessments, and scoring assessments and projects aligned with the Common Core. Approximate cost: may exceed \$30,000.	CCSS Student Achievement Student Engagement
