

**Continuous Improvement Expenditure Plan  
 2016-2017  
 SUPPLEMENTAL MATERIALS PLAN**

**School:** Kettering

**Principal(s):** Juan C. Gutierrez

**Submit Date:** January 31, 2017

**Status:** Approved

**Supplemental Materials Purpose / Focus:**

Teachers are using various technological devices to support their teaching in the classroom. Curently the projectors found in our classrooms are over ten years old and are becoming unrepairable. The use of projectors allows teachers to reach students by presenting information to studnets in text, audio, grahics and video. Throughout the Common Core State Standards technology provides a way for teachers and students to present content, gain knowledge and skills that the standards emphasize in Math and English Lanaguage Arts.

**List of Supplemental Materials**

Ln	Proposed Materials	Data Measure(s)
1	12/20/2016 Kettering is in need of replacing their old classroom projectors. This year there have been several of them that 06/15/2017 have been malfunctioning and have become unrepairable. Teachers use their projectors in several ways to present their lessons to students. This includes multimedia presentations through text, audio, graphics, and video. Two projectors are needed to provide each teacher an updated reliable projector.	SBAC ELA SBAC Math Core Curriculum
