PROFESSIONAL DEVELOPMENT PLAN**

School: Cubberley

Principal(s): Cathleen Imbroane

Submit Date: October 18, 2018

Status: Approved

Professional Development Focus Area(s):

The work of the Instructional Leadership Team continues, and Cubberley staff has decided that they would like to work in the areas of U2 and U5 for the 2018-2019 School year. In order to promote complex tasks (rigor) in all classrooms (U2) and to continue our collective efficacy work (U5), teacher release time is needed for teachers to assess students (K-2), engage in unit planning and looking at student work with their grade levels or departments. Teachers are also working together to become more proficient in Google Apps for Education and online resources in Wonders and MyPerspectives (ELA).

Expected Outcome:

Teachers will collaborate to build capacity and to improve their instructional practices. The ILT will continue to plan monthly professional development. Teachers will engage in assessing students (K-2), unit planning and reflection and will look at student work on an ongoing basis.
