1	08/28/2018 06/14/2019	Student planners are used on a daily basis to record homework assignments, upcoming tests and projects and calendar events, such as CORE Survey, field trips and SSC meetings. In addition school policies, such as the uniform and discipline expectations are in the planner as well as directions for parents regarding School Loop. This also helps students with time management and preparation for high school. In addition, this is a very important tool for home school communication. We will review the planners with our new parents and students at 6th grade orientation. \$2.35 x 1700 planners = \$3,995	Culture-Climate Survey (Parent)
