Submit Date: August 2, 2018

Status: Approved

Parent Involvement Focus Area(s):

Garfield School will effectively engage parents to help ensure every student is on the path to college and career readiness. To do so, the school will build collaboration between home, school, and community by providing opportunities for parents to learn about the CCSS, student achievement expectations and help parents better understand the school system and ways to support their child's progress.

Expected Outcome:

Parents are expected to participate at high rates for conferences, meetings, and workshops that provide opportunities for communication on ways to support students' progress. Parents will be able to provide input on their child's academic goals and progress. Parents of struggling students will participate in Student Success Team meetings and will be supported with school and community resources to support their child's progress. Parents will report 95% positively on CORE survey questions related to parent engagement and involvement.
