

**Continuous Improvement Expenditure Plan  
 2018-2019  
 INTERVENTION PLAN**

**School:** Keller

**Principal(s):** Thomas M. Espinoza

**Submit Date:** October 16, 2018

**Status:** Approved

**Intervention Focus:**

The interventions funded are intended to meet the academic and social emotional needs of our at-risk students. The interventions are focused on Math, Language Arts and Culture & Climate.

**Expected Outcome:**

By June 2019, Keller will increase the overall scores on SBAC-ELA by 8% and close the SBAC-ELA achievement gap between Hisp./Latino (67.8%) vs. White (94.9%) by 50% from 27.1% to 13.55%.

By June 2019, Keller will increase the overall scores on SBAC-Math by 9% and close the SBAC-Math achievement gap between Hisp./Latino (45.7%) vs. White (89.8%) by 50% from 44.1% to 22.05%.

By June 2019, Keller will increase the positive responses to the CORE Student, Parent and Staff Survey questions on School Safety (Students and adults report feeling safe at school and around school, including feeling safe from verbal abuse, teasing, or exclusion by others in the school.)
