

LCAP Monitoring Calendar

The LCAP requires frequent monitoring of data throughout the year by the School Site Council. The calendar below provides suggestions of data that is both relevant and timely within each calendar month. The data can be used to guide, monitor and modify interventions based on job descriptions and the allocation of LCFF and other funds throughout the year.

Month	Data to Review
September/October	SBAC (future consideration)-Performance and Growth School Quality Improvement Index (SQII) from CORE End of Year Benchmarks/Math Facts/FRSA End of Year Attendance Results Safe and Civil survey data RFEP Redesignation <i>EAP Data</i> <i>College Board AP Participation and Pass Rates</i> <i>On track/Off track for graduation</i> <i>July CAHSEE results</i>
