

PSAT 8/9 Video Pilot

Review of College Board/Spotlight/LBUSD Pilot to Share Student Results

Superintendent Parent Forum

January 2019

Full Sequence of College Board Tests

Video Pilot

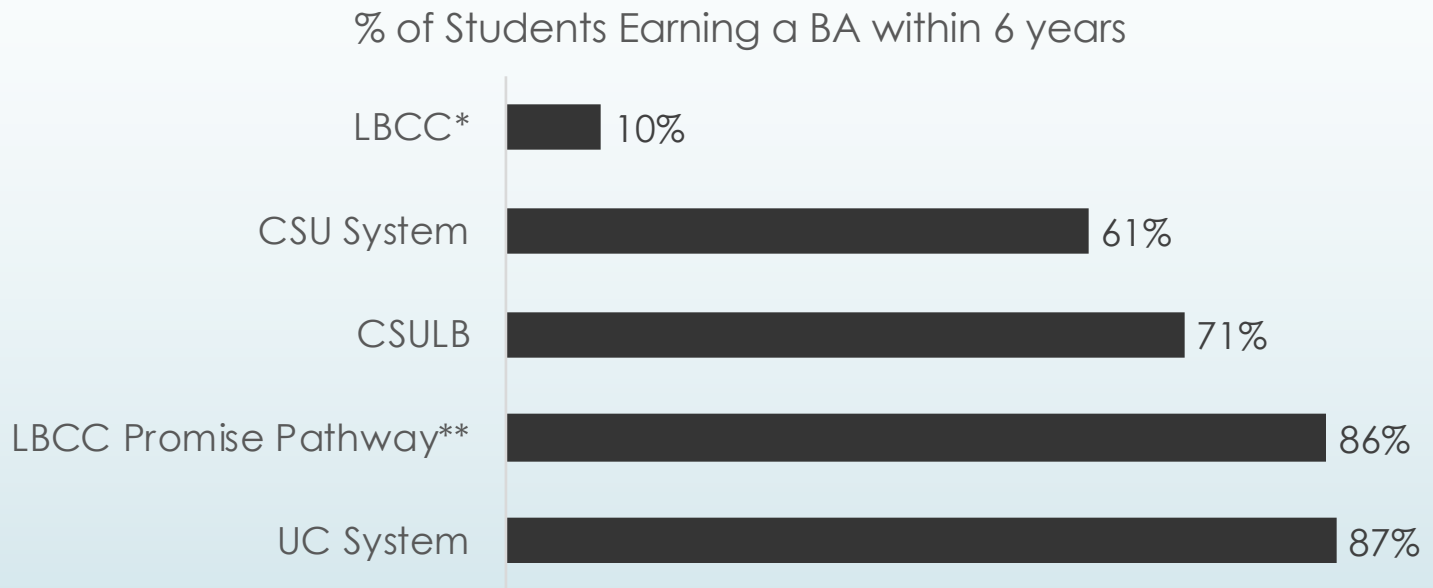

Why Should Students Take These Tests?

- ▶ The SAT is required for admission into most 4-year colleges and universities
- ▶ The PSAT and SAT have a different format than the Smarter Balanced Test (SBAC), so practicing in the earlier grades helps students perform better on the SAT.
- ▶ SBAC assesses grades 3-8 & 11, while the PSAT/SAT assesses grades 8 through 12
- ▶ Taking the PSAT and SAT allows students to access the customized, free tutorial on Khan Academy

Performing well on the SAT provides greater access to a 4-Year college or Promise Pathway

* LBCC transfer rate is 13%. 79% of transfers to CSULB graduate within 4 years.

** Assumes all LBCC Promise Pathway students complete the program within 2 years.

PSAT 8/9 Video

- ▶ The PSAT 8/9 video was sent via text or email to all parents of students in grades 8 and 9 in late December
- ▶ Sample text
