3 School of Choice Process El Proceso de Escoger Escuelas

Each household has an assigned middle or K-8 school of residence (as listed above). The fifth to sixth grade placement process also includes the option to request a school outside of your school of residence. If you choose to participate in the School of Choice process, please realize that due to space availability, a random lottery system will be utilized to select students for the limited openings. In addition, **NO TRANSPORTATION will be provided.**

INSTRUCTIONS: Indicate your top 3 choices of schools by placing the numbers 1 to 3 in the box next to the schools of your choice ("1" being first choice and "3" being last choice). If you would only like to attend your school of residence, **DO NOT** mark any other schools.

*Cada hogar tiene una escuela intermedia o K-8 asignada por su residencia (identificado arriba en esta aplicación). El proceso de colocación de quinto a sexto grado también incluye la opción de solicitar una escuela fuera de su escuela de residencia. Si decide participar en el proceso de escoger escuelas, por favor, entienda que debido a la disponibilidad de espacio, se utilizará un sistema de lotería para seleccionar alumnos para los espacios limitados. Además, **no se proveerá transporte.***

Instrucciones: Indican las 3 opciones de escuelas arriba colocando los números 1 a 3, junto a las escuelas intermedias de su elección ("1", siendo la primera opción y "2" siendo la segunda opción, hasta la tercera opción.) **NO MARQUE** otras escuelas si desea asistir a la escuela intermedia de residencia.
