

McDougal Littell *Language of Literature* Grades 6-8

CD-ROM Resources 2004-2005

Easy Planner 2.0

- View, edit, and customize pre-made plans that include core objectives and activities
- Search and access all teacher resources by selection, topic, or keyword
- Import worksheets that you create yourself and edit plan objectives
- Print your lesson plans and the teacher resources that support those lessons

Installation Notes: CD required to run program, requires *Acrobat Reader 5*

Test Generator 3.0

- Contains a variety of pre-made tests and a test bank of items that allow teachers to create customized tests
- Provides tools that walk the user through the searching and editing steps and help correlate the tests to national and state standards

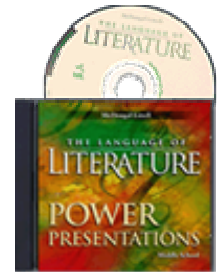

Installation Notes: Install to hard drive – CD not required to run program

Power Presentations

- View pre-made presentations for review or to introduce a concept
- Slides connect to the Writing Workshops in each of the books
- Create a custom slide show using *PowerPoint* (requires *PowerPoint*)

Installation Notes: No install, CD required to run program, requires *PowerPoint* or *PowerPoint Viewer*, which can be installed from this CD-ROM

Additional Resources:

California Standards Manager

- Standards database aligned with *Language of Literature* resources
- The Cluster tests are on this CD, which is attached to the *California Standards Manager* book
- Note – *Easy Planner* and *Test Generator* include CA Standards and are more user-friendly

NetActivities

- Extension activities for each Author Study in the text
- Can be used alone or with the Internet – includes links to related Web sites

Audio Library CD Sampler

- Includes grade level reading model and a selection from Unit 1, Part 1
- The complete *Audio Library Package* is sold separately

Outdated CDs (Do not use):
