\* Salary Schedule A2 includes all temporary and special contract teachers, librarians, and nurses employed on a emergency permit/wavier, or intern basis.

\* Middle and High School Department Heads are paid on a basic schedule plus an additional amount indicated on Schedule W on page 40.

\* Credit for Previous Experience: As authorized by Education Code Section 45028, effective with the beginning of the second semester of the 1990-1991 school year, teachers not previously employed by the Long Beach Unified School District as a teacher are allowed salary credit for previous satisfactory teaching experience up to the maximum step on the appropriate column on the salary schedule, excluding career increments. Teachers not previously employed by the District are allowed credit for a maximum of five years previous satisfactory teaching experience toward years necessary for receiving career increments.

\* QW is an abbreviation for a quadriweekly pay period. Thirteen pay warrants are issued to certificated employees in year-round schools on a quadriweekly basis which is a four week period (20 days) between July 1 and June 30 of each school year. Multiplication of QW rates by the appropriate index may not equal exact yearly salaries since computer does rounding.

\* Hourly wages are based on one's QW rate before the addition of additional amounts or the career increment.
