#### 1. Teaching Experience:

- a. As authorized by Education Code, Section 45028, teachers are allowed salary credit for previous satisfactory K-12 credentialed teaching experience up to the maximum step on the appropriate column on the salary schedule, excluding career increments. For purposes of this Section, a total school year is defined as a period from the first day of the professional assignment through the final day of the regular professional assignment. If a teacher has served under contract for fifty (50) percent or more of the total school year or a full semester; has worked as a substitute teacher for one hundred thirty-five (135) days in one (1) school year; or has a combined service of one hundred thirty-five (135) days in one (1) school year under contract as a substitute teacher or hourly teacher, credit will be given for one (1) year of experience.
- b. **Adjustment for Previous Experience:** Verification of satisfactory K-12 credentialed teaching experience must be provided within the first three years of employment with the District. If an employee is hired by September 1 of the first year of employment, verification must be received in Human Resource Services by November 1 and salary schedule placement adjustment is retroactive to the beginning of that fiscal year. If verification is received after November 1, salary schedule placement adjustment will occur the following pay period.

#### 2. Experience Other Than Teaching:

- a. In evaluating an applicant’s experience other than teaching, the District may allow a maximum of four (4) steps on the salary schedule when this experience will contribute directly to the effectiveness of the major assignment for which the applicant is being considered. Two (2) years of experience under this provision are evaluated as equal to one (1) step on the salary schedule. This experience cannot be concurrent with credit for teaching experience, but part-time work experience might be combined with part-time teaching. Verification of not less than eleven (11) months of consecutive work of not less than twenty (20) hours per week may be computed as the equivalent of one (1) year toward the two-for-one requirement for work experience credit. In computing work experience on more than one (1) job, any interruption of service beyond one (1) month shall break the consecutive requirement, unless the prospective employee returns to the same position, with the same employer, within six (6) months without having been gainfully employed by another employer during that time. Partial years of credit are not additive.
- b. Nurses and school librarians are given one (1) year of credit for one (1) year of full-time work experience in a non-school setting as a nurse or as a librarian up to a maximum of four (4) years per Section 2.a. above.
- c. In addition to the current rules for salary schedule placement purposes, for purposes of initial placement on the salary schedule, qualified speech/language/pathologists/specialists hired on or after July 1, 2006 to work in speech and language positions shall be allowed one step on the salary schedule for each year of verified work experience as a speech/language/pathologist/specialist in a non-school setting up to the maximum step on the appropriate column on the salary schedule, excluding career increments.

PROVISIONS FOR ADMINISTRATION OF K-12 SALARY SCHEDULES\* (Continued)

- d. **Military Service.** Military Service is credited as prior teaching experience only if the applicant actually taught while in the service in the field for which he/she is to be employed.
- 3. **Tentative Salary Placement.** Applicants who are considered favorably are asked to sign a statement relative to initial salary placement that is mutually agreeable at the time of employment. Signing the “Tentative Salary Placement” form indicates that the initial salary stated thereon is mutually agreeable. Additional official, verified salary information presented by November 1 or sixty (60) calendar days after initial date of employment, which might indicate a need for change, will be considered. If a salary change is warranted, the adjustment will be retroactive to the first day of paid service in the school year in which the official, verified information is reached.
- 4. **Salary Schedule Placement:**
  - a. Certificated employees who are given a contract are placed initially on the salary schedule in accordance with training completed at an accredited college or university before the first day of their contract year. If verification is received after the first day of their contract year, salary placement adjustment will be effective the following pay period.
  - b. A teacher employed by the Long Beach Unified School District is placed on a step of the salary schedule in accordance with his/her experience. A teacher is advanced year by year, until reaching the maximum step on the schedule, provided he/she is under contract a sufficient number of days each year and qualifies for advancement.
  - c. **Beginning Teacher Salary Incentive Program.** Since 1999 the District has participated in the Beginning Teacher Salary Incentive Program. District participation is contingent on the continuation of special State funding to support this program. As a result of continuing District participation, K-12 teachers holding a valid California credential and assigned to specific schedules, columns, and steps listed below shall be compensated at an annual rate of pay greater than that provided to new employees who do not hold a valid California credential.

## PROVISIONS FOR ADMINISTRATION OF CHILD DEVELOPMENT CENTER/HEAD START SALARY SCHEDULES\*

(“Teacher” as used in this narrative is a generic term that is applied to all certificated employees.)

### A. REQUIREMENTS RELATIVE TO INITIAL PLACEMENT ON SALARY SCHEDULES

1. Teachers in Child Development Centers and Head Start Programs must hold a valid Children’s Centers Permit or, in lieu of the permit, a Standard Teaching Credential deemed by the Commission on Teacher Preparation and Licensing to be equivalent to the Children’s Centers Permit.
2. **Teaching Experience:** As authorized by Education Code, Section 45028, teachers in Child Development Centers and Head Start Programs not previously employed by the District as a teacher during the five (5) years (sixty [60] calendar months) prior to the date of hire are allowed credit for previous satisfactory teaching experience up to the maximum step on the appropriate column on the salary schedule. If a teacher has served under contract for fifty (50) percent or more of the total work year; has worked as a substitute teacher for one hundred thirty-five (135) days in one (1) work year; or has a combined service of one hundred thirty-five (135) days in one work year under contract and as a substitute or hourly teacher, credit will be given for one (1) year of experience. “Day” shall be defined as actual days worked and shall not include sick days or other days of leave/holidays.
3. **Experience Other Than Teaching:** In evaluating an applicant’s experience other than teaching, the District may allow a maximum of four (4) steps on the salary schedule when this experience will contribute directly to the effectiveness of the major assignment for which the applicant is being considered. Two (2) years of experience under this provision are evaluated as equal to one (1) step on the salary schedule. This experience cannot be concurrent with credit for teaching experience, but part-time work experience might be combined with part-time teaching. Verification of not less than eleven (11) months of consecutive work of not less than twenty (20) hours per week may be computed as the equivalent of one (1) year toward the two-for-one requirement for work experience credit. In computing work experience on more than one (1) job, any interruption of service beyond one (1) month shall break the consecutive requirement, unless the prospective employee returns to the same position, with the same employer, within six (6) months without having been gainfully employed by another employer during that time. Partial years of credit are not additive.
4. **Military Service.** Military Service is credited as prior teaching experience only if the applicant actually taught while in the service in the field for which he/she is to be employed.
5. **Tentative Salary Placement.** Applicants who are considered favorably are asked to sign a statement relative to initial salary placement that is mutually agreeable at the time of employment. Signing the “Tentative Salary Placement” form indicates that the initial salary stated thereon is mutually agreeable. Additional employment verification information presented by November 1 or sixty (60) calendar days after initial date of employment, which might indicate a need for change, will be considered.

\* For additional information, turn to Appendix B in the current K-12 Provisions of Agreement

6. **Salary Schedule Placement:**

- a. Certificated employees who are given a contract are placed initially on the salary schedule in accordance with training completed at an accredited college or university before the first day of their contract year and verified before November 1 or sixty (60) days after initial date of employment.
- b. A teacher employed by the Long Beach Unified School District is placed on a step of the salary schedule in accordance with his/her experience. A teacher is advanced year by year, until reaching the maximum step on the schedule, provided he/she is under contract a sufficient number of days each year and qualifies for advancement.

**B. CREDIT ON THE SALARY SCHEDULE FOR ADVANCED WORK**

1. All college or university credit shall be from an accredited institution.
2. Placement on Column 302, 502, 312, 124, or 334 is dependent on verification of ninety (90) or more units. All units above sixty (60) to be upper division and taken at a four-year college or university.
3. Placement on Column 303, 503, 313, 317, 323, 125, or 335 is dependent on verification of a Bachelor's Degree.

As of April 24, 2005 placement on columns 306, 316 (E3), 315, 319, 325, 336, or 504 is dependent on verification of twenty-eight (28) semester hours of upper division or graduate work beyond the Bachelor's Degree. Extra units earned prior to receiving the Bachelor's Degree shall not be accepted for placement on the scale on one (1) year above the Bachelor's Degree unless extra units are of graduate standing, were not counted for the Bachelor's Degree, and are so indicated on the transcript.

4. Responsibility for reporting advanced work by deadlines rests with the certificated employee. It is the responsibility of the employee to submit official sealed transcripts to Human Resource Services.
5. An employee must complete all requirements prior to the first day of the contract year in order to qualify for placement on a higher salary scale. The date shown on the transcript indicating conferral of the degree will be considered the official date for this placement.
6. Sixteen (16) semester hours (or twenty-four [24] quarter hours) of advance work taken at accredited university or college is the maximum allowance of credit in any one ten (10) month contract year (between the first and last day of employee's contract year) for placement on the salary schedule. Eighteen (18) semester hours (or twenty-seven [27] quarter hours) of advanced work taken at an accredited university or college is the maximum allowance of credit in any one twelve (12) month contract year for placement on the salary schedule.

\* For additional information, turn to Appendix B in the current K-12 Provisions of Agreement

7. Travel in the United States or in foreign lands is not credited for advancement on the salary schedule unless credit for the travel has been granted by a college or university recognized by the California State Department of Education.
8. After the Bachelor's Degree, courses for upgrading on the salary schedule must be of upper division or graduate standing. After election to the District and after the Bachelor's Degree, exceptions may be made for **prior-approved** lower division transfer credit courses and post-baccalaureate professional courses provided they are related to the present assignment of the employee. The granting of salary credit to any employee for such lower division courses will be limited to a maximum of nine (9) semester hours during the entire time of the employee's service with the District. Request for exceptions must be received by the Human Resource Services. Receipt of such requests must be prior to the first day of attendance in the course and be approved by a District committee. The Association currently appoints four (4) bargaining unit members to this committee.
9. Exceptions to the requirement that all course work (units) must be taken at an accredited college or university may be made by recommendation of the Educational Mission: Innovation Advancement Committee (EM:IAC) and the approval of the Assistant Superintendent of Human Resource Services. This committee is empowered to grant credit on the salary schedule for successful completion of in-service courses offered by the Long Beach Unified School District which (a) involve attendance at sessions equivalent in time to college or university courses at the same unit value, (b) involve participation and related work equivalent to that required in college or university courses of the same unit value, (c) provide needed in-service opportunities not otherwise readily available, and (d) are found by the committee to be in the best interest of the instructional program of the District. The Assistant Superintendent, Human Resource Services has final approval authority relative to the granting of salary credit.

Increments are granted to certificated employees who have been compensated for fifty (50) percent or more of the work year and under contract or who have combined service of one hundred thirty-five (135) days in one (1) school year under contract or as a substitute teacher.
