Our Vision

*Millikan is a community that promotes
academic excellence, personal integrity
and essential life skills.*

September 7, 2007

Hello Millikan Community,

The students have done a really good job with the [Millikan High School uniform](#). Unfortunately, there seems to be some miscommunication about plaid pants and striped shirts. The dress codes states that pants must be “solid navy blue” or “solid khaki.” Shirts must be collared and “solid navy blue,” “solid gold” or “solid white.” Spirit shirts that show Millikan pride can be worn any day of the week as long as they are approved by the school. Approved shirts can be seen by viewing this [link](#).

The [Rams Football Team](#) traveled to Bellflower High School to play the Buccaneers last night. It was a really close game and went into overtime. The Rams took the game with a 30 – 23 score and are now 2 – 0 for the young season. Our next game at home will be on September 21st versus Downey High School. Please check out our [football schedule](#) and come on out and cheer our Rams to victory.

Millikans girls’ tennis team started this year with a smash. They began their season against Paramount High School. This season will be a rebuilding season with only one returning player, junior, Barbara Kramer. The team is also led by sophomores, Olivia Lawrence, Mimi Rogers, and Katie Masters. The team is very excited to begin league against Poly. The season opener will be on Sept. 20th at 3:00p.m. Come on out and root for our Lady Rams.

I was invited by Coach Fredrickson, and attended the Millikan versus Los Al boys’ water polo game last night. I must admit that I am a novice when it comes to this sport, but I had the opportunity to sit next to some very knowledgeable student athletes who walked me through the game. They told me think of soccer in the water and then walked me through the finer points. I couldn’t have picked a better game to watch because our varsity team handily beat the Griffins 11 – 5. Way to go Millikan!

I want to remind everyone that Robert A. Millikan Senior High School has started using [School Loop](#), a new grading program. For those of you who have returning students to our high school, you are very aware that we have had our grades posted on-line for the last 4 years or longer. School Loop will facilitate the process of looking up your student's grades on line. Please take a moment of your time and register at the [School Loop](#) website.

Finally, yesterday at the end of the school day, approximately 2:55 P.M. we had a [black out](#) at Millikan. The blackout lasted a little over a half hour. I shouldn't really say just Millikan because power was lost in the entire community. I know that Lakewood High School and Cubberley were affected. I am mentioning this blackout so that everyone knows that Millikan will continue to serve our students during a blackout.

Best wishes,

Jeff

“Learning should be full of ideas and opportunities, not stuffed with facts and routines.”
