

Interdistrict Attendance

The Governing Board recognizes that parents/guardians of students who reside in one district may, for a variety of reasons, choose to enroll their child in a school in another district. It is the intent of the Governing Board to accept into the Long Beach Unified School District, students from other school districts who have completed an inter-district transfer request. Such requests into the Long Beach Unified School District shall be initiated in the district of residence, and may be acted upon by the Long Beach Unified School District only upon formal release from the district of residence. The Governing Board recognizes that parents/guardians of students who reside within the geographic boundaries of one district may, for a variety of reasons, desire to enroll their children in a school in another district.

## Interdistrict Attendance Permits

The Governing Board may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of the districts. (Education Code 46600)

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed to by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

Upon receiving a permit for transfer into the district that has been approved by the student's district of residence, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district, the Superintendent or designee shall review the request and may approve or deny the permit subject to the District's BP and AR 5117.

## Transportation

If an application is approved, transportation shall be the responsibility of the parent.
