

A decorative border of colored pencils surrounds the certificate. The pencils are arranged in a rectangular frame, with colors including yellow, blue, red, green, and brown. The top row has three pencils (brown, green, red), the right side has two (blue, yellow), the bottom row has three (brown, yellow, blue), and the left side has four (yellow, blue, red, green).

# Certificate of Achievement

We hereby present

---

with this Certificate, in honor and recognition of  
your outstanding achievement in mastering **ALL**  
of the math basic facts.
