

# “All Day” Kindergarten Forum

Teachers and administrators are encouraged to attend an “All Day” Kindergarten (ETK/TK/K) forum to provide clarity regarding the program. Presenters include Assistant Superintendent of Elementary Schools Brian Moskovitz and Webster Principal Sarah Forrester.

**Why:** The district has made a bargaining proposal for an All Day Kindergarten (ETK/TK/K) Model across the district. In doing so we hope to:

1. Meet increased parent request
2. Improve enrollment by reducing the loss of students to private “all day” kindergarten programs.
3. Improve overall student success and development.

**When:** Wednesday, January 15

**Time:** 4:00 to 5:00 PM

**Location:** Longfellow Auditorium

**Topics:** Proposed schedule, feedback from schools implementing the program, and a question & answer session
