Exploring Leadership Program

2020-2021 Professional Development Opportunity

LEADERSHIP DEVELOPMENT PIPELINE PROGRAMS

Program Overview

The Exploring Leadership Program provides professional development to experienced teachers with strong instructional practice who are committed to educational change. Support includes professional development workshops and one-to-one site visits by Leadership Development staff. The goal of the program is to consistently develop a steady stream of teacher leaders who are current in district philosophy and practice. The ideal candidate serves in formal leadership roles (e.g., department chair, grade level leader, Instructional Leadership Team, etc.), and is interested in developing leadership skills to support equity for all students, to create an inclusive school culture, and to close the achievement gap.

- Serving in a formal leadership role such as department chair, grade level lead, Instructional Leadership Team member, etc.
