

LBUSD Approved Google Play Store Applications

	Application	Description
	Boardmaker 7 Editor	Boardmaker 7 Editor is a powerful tool for creating unlimited symbol-supported education and communication materials for individuals with special needs.
	Expeditions	Google Expeditions is an immersive learning and teaching tool that lets you go on VR trips or explore AR objects. Explore historical landmarks, go down to the atomic level, get up close with sharks, even visit outer space!
	GraphoGame: Learn to Read American English	GraphoGame helps kindergarten and primary school children learn to read and spell their first letters, syllables and words in English.
	MIT AI2 Companion	The MIT AI2 Companion is not a stand-alone application. It is intended to be used with the MIT App Inventor system, a web based App Building tool which is free to use. You can learn more about MIT App Inventor at http://appinventor.mit.edu
	Spectrometry	Integrate spectrometry into the teaching and learning of physics, chemistry and biology. Simply connect a PASCO Wireless Spectrometer (PS-2600) and insert a solution to measure absorbance, transmittance and fluorescence of solutions.
	Zoom (Forced Install)	Stay connected wherever you go – start or join a secure meeting with flawless video and audio, instant screen sharing, and cross-platform instant messaging
