

LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Long Beach Unified School District

CDS Code: 19-64725

Local Control and Accountability Plan (LCAP) Year: 2019-20

LEA contact information: Christopher J. Steinhauser, 562-997-8242, cstein@lbschools.net

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2019-20 LCAP Year

This chart shows the total general purpose revenue Long Beach Unified School District expects to receive in the coming year from all sources.

The total revenue projected for Long Beach Unified School District is \$926,486,112.00, of which \$738,061,857.00 is Local Control Funding Formula (LCFF), \$108,008,761.00 is other state funds, \$20,396,709.00 is local funds, and \$60,018,785.00 is federal funds. Of the \$738,061,857.00 in LCFF Funds, \$124,306,579.00 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

LCFF Budget Overview for Parents

This chart provides a quick summary of how much Long Beach Unified School District plans to spend for 2019-20. It shows how much of the total is tied to planned actions and services in the LCAP.

Long Beach Unified School District plans to spend \$930,290,803.00 for the 2019-20 school year. Of that amount, \$763,213,171.00 is tied to actions/services in the LCAP and \$167,077,632.00 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

Academic interventions and parent engagement (Titles I, III, IV), staff trainings (Title II), expanded learning opportunities beyond the school day (After School Education and Safety), intensified services for students in need (Special Education, Migrant Education, Indian Education, McKinney-Vento Homeless Assistance, etc.), work-based learning programs (Career Technical Education, etc.), and other supplemental federal, state, and local programs for student supports. Such “categorical” programs have legislatively defined purposes, augment core instruction, and have specific reporting requirements.

Increased or Improved Services for High Needs Students in 2019-20

In 2019-20, Long Beach Unified School District is projecting it will receive \$124,306,579.00 based on the enrollment of foster youth, English learner, and low-income students. Long Beach Unified School District must demonstrate the planned actions and services will increase or improve services for high needs students compared to the services all students receive in proportion to the increased funding it receives for high needs students. In the LCAP, Long Beach Unified School District plans to spend \$124,427,471.00 on actions to meet this requirement.
