Please type or print information.

I RECOGNIZE:

Name Laticia Dockery

Classification Nutrition

Location/Site Nutrition Services

Please give specific examples of how your classified hero works to (Attach additional sheets if needed):

Support the mission of the District (*"To support the personal and intellectual success of every student, every day"*) by contributing to classroom support and/or business (non-school) operations of the District.

Latecia has been working for the District since 1999. During that time most of her experience was at Poly High school, where she worked in the office. I enjoy listening to her stories about her time at Poly and one of things that stands out the most was that she told me she would keep food in her drawer because so often, children would be hungry and she always made sure she had something to snack on for them; how fitting that she came to Nutrition Services.

Demonstrate a commitment to being a team player and a positive role model for others.

She joined Nutrition Services in 2018 and hit the ground running! Her passion for feeding students continued as she performed her administrative tasks with excellence, supporting our school sites and fellow employees.

When the pandemic, it hit hard and despite suffering a personal loss to COVID, she showed up every day, wearing a mask, gloves and continuing to support our school sites. She performed tasks that others would not do, due to fear of contracting COVID. She never complained and always did her job with excellence, always thinking of how we can help the staff/students at the school sites.

Please list specific personal characteristics and or other details that make this employee exceptional or inspirational regarding his or her performance.

When it was determined that all sites needed several PPE items, sanitizer, masks, gloves, towels, shields, glasses, etc. She came to work with over 100 boxes she personally sought out, and recommended we ship the items in boxes. Our staff was reduced by 50% during the pandemic and Tisha has never complained about the amount of work she has had, she always has a great attitude, treating everyone with respect in person and over the phone. She is not afraid of hard work, and as her supervisor, she is my hero. I could not do my job without her and I am sincerely grateful for her work ethic and her desire to do her best. I celebrate Latecia Dockery!
