I RECOGNIZE:

Name Sharon Berg

Classification IA Special

Location/Site Prisk Elementary

Please give specific examples of how your classified hero works to (Attach additional sheets if needed):

Support the mission of the District ("To support the personal and intellectual success of every student, every day") by contributing to classroom support and/or business (non-school) operations of the District.

Mrs. Berg has been impacting children's lives at Prisk since 2006. She assists the RSP teacher and classroom teachers by leading small groups or an individual student in academic or behavioral skills. She comes along side each student with a heart to help them learn and understand concepts that are being taught but cannot quite catch on. She has a giving spirit and loves to support the students in any way she can. She is excited when her student understands and when it gets a little harder for the student, she sticks with them and comes up with different ways that might help with better understanding.

Demonstrate a commitment to being a team player and a positive role model for others.

Mrs. Berg just doesn't do her 3.8 hours of work a day. For over 12 years, she has volunteered to come every morning and open up a classroom for "Math Clinic". For up to 30 minutes before school begins, with parent permission and teacher recommendation, Mrs. Berg will give a little extra help with math facts to students. Mrs. Berg is ready to receive "her students" with a hearty welcome and a "Let's get to work and learn" attitude. The students love and respect Mrs. Berg very much along with parents and teachers who are excited that their student is being supported in an area of learning that is difficult for them.. Mrs. Berg is the student's biggest cheerleader and looks forward to starting up the Math clinic again and saying goodbye to this year of distance learning!

Please list specific personal characteristics and or other details that make this employee exceptional or inspirational regarding his or her performance.

Sharon Berg is kind, caring and a very happy person. She has been a stable figure at Prisk Elementary for so long that it is hard to think of our school without our beloved Mrs. Berg. To really show how committed she is to her students, she learned to use a chrome book during this time of distance learning and even learned to lead zoom meetings too (when it maybe hard to teach a more mature dog new tricks!). Mrs. Berg is an example of being grateful for all things and always has joy in her heart to spread to everyone. She is truly a great example of a classified super "Hero" for Prisk Elementary and LBUSD!
