Please type or print information.

I RECOGNIZE:

Name JULIE ARBIZO

Classification IA SPECIAL

Location/Site STANFORD

Please give specific examples of how your classified hero works to (Attach additional sheets if needed):

Support the mission of the District (*"To support the personal and intellectual success of every student, every day"*) by contributing to classroom support and/or business (non-school) operations of the District.

Julie supports all the students in room 916 with positive praise, caring 1:1 attention and by helping care for all their academic, social and medical needs.

Julie has the ability to help every student regardless of their level. She goes about this with such joy and enthusiasm that the students are engaged without knowing it.

Demonstrate a commitment to being a team player and a positive role model for others.

Julie is always there to support all my new ideas, even during distance learning. She has learned so much technology this year and helps me create learning materials, track IEP goals and run lessons without EVER needing to ask her.

Julie will never complain about doing the many undesirable things involved in her job. Whenever there are tasks to do, she jumps up to get them done. She is always willing to help her colleagues or teach others how to do what is needed for the students.

Please list specific personal characteristics and or other details that make this employee exceptional or inspirational regarding his or her performance.

Julie is an inspiration to all other IAs. She not only supports me with classwork, but she cares for my own well-being and mental health. Julie has made this difficult year possible and I am so lucky to have her as part of my team.

I am amazed at all Julie does to assist the teacher in preparing assignments for the class. She has adapted to virtual teaching by learning to prepare assignments on the computer, correcting and monitoring student's work, and assisting students (and sometimes parents) in using online activities. She is truly inspirational in her commitment to the students.
