April 21, 2014

Dear Friends,

The 20th Annual Children's Day celebration is just around the corner, and plans are well under way to make this the best Children's Day ever. Each year, this celebration is a fun-filled way for our community to show how much it values its most precious resource, its children.

As Superintendent of Schools, I encourage everyone to help make this event a memorable one by donating a book, organizing a family picnic or otherwise joining in the many festivities. Let's show our children how much we care!

Thank you for your support.

Sincerely,

Christopher J. Steinhauser
Superintendent of Schools
