"Safety issues at the sites: bathrooms need better security."

Accelerate deferred maintenance projects regarding bathrooms.

"Sensitivity training is a must to help teacher/student/parent relationships."

Increase professional development for staff (anti-bullying, cultural sensitivity).

"Help parents access technology-based tools like ParentVUE, etc."

Purchase Chromebooks for parents to use at schools.

"Need to increase both interpretation and translation services."

Purchase additional translation equipment for sites.

A large meeting room with people seated at tables, overlaid with a blue tint and the text "Local Control and Accountability Plan". The room is filled with people, some sitting at long tables and others standing near a whiteboard. The text is centered in the foreground in a white, bold font. The background shows a typical conference room setting with tables, chairs, and a whiteboard. The overall atmosphere is professional and collaborative.
