## 5. EQUIVALENT BRANDS

The brands described and specified in this bid have been tested extensively and have been found satisfactory for District requirements. Any other brands offered as "equal" shall be accepted only after testing and have proven their capabilities to meet District needs.

## 6. SAMPLES

All items referenced in this bid are "or equal" and are not meant to be restrictive. Bidder must indicate any exceptions or deletions to the specifications in their bid. Failure to do so will indicate that the bid is exactly as specified.

If bidding **other than specified**, samples **MUST** be submitted upon request within five (5) business days. Failure to supply samples may be cause for bid rejection. All samples submitted must indicate bid number, bid item number, vendor name; brand and model/mfg. number on **outside of each package**. Deliver package of samples to 2201 E. Market St., Long Beach, CA 90805. Bidder is responsible for all cost of samples and freight.

## 7. AWARD

### a) Method

After the public bid opening, where the apparent low bid is identified, bids will be reviewed to ascertain that they are in compliance with the RFB requirements. Bidders may be deemed non-responsive for failure to comply with the requirements set forth herein. Evaluation of responsible Bidders will be based on, but not limited to such factors as ability to deliver products in a timely manner, appropriateness and quality of materials offered, length and scope of the warranties and pricing.

Items in this bid may either be awarded individually or on a lot basis. If by lot, the various lots shall be specified on the Bid Form. The use of lot awards is intended to insure consistency of use and quality. The District reserves the right to cancel or withdraw any item(s) before award and proceed with an award on the remaining items as a lot. Bidders must submit a price for each item within the lot to be considered for award of that lot. Failure to meet this condition may result in rejection of the bid within that lot. If an alternate item is bid and rejected within a lot, it may result in rejection of the lot.

### b) Award Process

Once the lowest responsible/responsive Bidder has been determined, a Notification of Intent to Award will be issued to all Bidders who submitted a bid identifying the lowest responsible/responsive Bidder.

**c) Commencement of Services**

A Purchase Order will be issued once:

- Board authority is granted.
- Insurance requirements have been met, if applicable.
- Verification of current vendor W-9 State Tax Form.

**d) Reservations**

The District reserves the right to:

- Reject any and all bids, or any part of any bid.
- Accept any part of the bids, at prices quoted, to the best advantage of the District, unless Bidder by indicating on bid positively limits his bid to "all or none".
- Waive any informality or minor irregularity in any bid.
- Tie bids will be awarded to the local vendor (if any). If a tie bid still remains award will be determined in compliance with Public Contract Code 20117.

Bids are subject to acceptance within sixty (60) days of closing date, and all bids shall remain irrevocably in effect for sixty (60) days after the bid closing date. A written purchase order furnished to the Bidder results in a binding contract without further action by either party.

**8. CLARIFICATION AND INTERPRETATION**

The words "must" or "will" or "shall" in this RFB indicate mandatory requirements. Taking exception to any mandatory requirement may be grounds for rejection of the bid.

The District wants to avoid any misunderstanding where it is assumed that a feature is included in the bid and turns out to be an optional, extra cost feature. Any features that are optional, extra cost items shall be clearly referenced as such in all correspondence, including RFB questions and the written Bid Form.
