Parent Involvement Focus Area(s):

Based on the Family CORE survey data for LB College Promise awareness and Sense of Belonging, we will offer several parent workshops and opportunities for Nelson parents to interact with staff, learn about family resources, learn about the LB College Promise, and learn about academic resources for their students. In addition, parents will be invited to participate in field trips to colleges and the Long Beach Public Library with their students.

Expected Outcome:

By June 2020, Nelson's family CORE survey data related to the LB College Promise and family Sense of Belonging will increase by 3% from 96% for Sense of Belonging and from 93% for LB College Promise.
