For the 2020-2021 school year, CAMS will continue to implement our Intervention Plan. Utilizing academic performance data (i.e. D/F, GPA, SBAC scores, PSAT/SAT and AP scores), CAMS will identify areas of need in struggling students and implement academic interventions in the form of tutoring and in class support during the school day.

---

**Expected Outcome:**

The expected outcome will be the decrease in the number of D/F rates, specifically in math and science and an increase in 'a-g' completers.
