**Professional Development Focus Area(s):**

U2 - Providing all learners with cognitively demanding tasks and complex text with the goal of making meaning is essential in order for students to build conceptual understanding of content and transfer their learning to new contexts.

U6 - Cultivating a classroom atmosphere, where teachers deliberately balance caring relationships with high expectations and supports for student success, provides a foundation for a safe learning environment that values diversity, trust, and respectful communication.

---

**Expected Outcome:**

Teachers will be given the opportunity to collaborate by grade level and department to plan cognitively demanding tasks utilizing the depth and complexity prompts. GATE Teachers will also be given time to plan PD for all staff. Special Education Teachers will be given planning time to work together to plan instruction and activities related to social-emotional learning.
