**Parent Involvement Focus Area(s):**

As part of Harte's theory of action, we are continuing to work to enhance parent and community involvement of our most marginalized students, specifically the African American and ELL subgroup. We have a dedicated space for a Parent Center which we would like to supply with technology and supporting materials for parents to engage in collaboration with the school staff. This Center will serve as a designated place for adult learning, VIPS, collaborative outreach projects, and community meetings. SSC has approved a motion to allocate the parent involvement fund of \$6,157 to purchase supplies, technology, and materials for the Parent Center.

**Expected Outcome:**

A well functioning and equipped Parent Center will allow Harte to enhance parent involvement and increase engagement of our most marginalized subgroups in the coming years.
