

**Continuous Improvement Expenditure Plan
 2020-2021
 SUPPLEMENTAL MATERIALS PLAN**

School: Signal Hill

Principal(s): Scott E. Tardibuono

Submit Date: August 3, 2020

Status: Approved

Supplemental Materials Purpose / Focus:

With the current status of schools and teachers teaching on-line and this format of teaching likely to continue in some capacity moving forward, it is important that our support personnel who work with all teachers and staff are equipped with technology that maximizes on-line teaching and learning.

List of Supplemental Materials

Ln	Proposed Materials	Data Measure(s)
1	08/17/2020 Signal Hill SSC voted and approved the purchase of an iMac personal laptop to be used by our 06/16/2021 Technology/Intervention Support TOSA. The Tech TOSA provides intervention and support to students and teachers in grades TK-5, as well as other Signal Hill staff. Tech TOSA plans and provides staff Professional Development on a regular basis.	SBAC ELA SBAC Math Core Curriculum Other

Person(s) Responsible: Principal, Tech TOSA

Frequency: Daily

SPSA/AM: AM1 Add. Int.

Identified Need: Student and teacher use of on-line learning continues to increase. The Tech TOSA supports both synchronous and asynchronous learning and requires technology that facilitates providing optimal support. Tech TOSA provides ongoing Professional Development to teachers and staff.

Target Group: All Students, All Staff, All Parents

Monitoring: Principal enters Google Meets and debriefs on a regular basis with Tech TOSA as to the effectiveness of synchronous and asynchronous support, as well as PD opportunities being provided.
