Dear Parents:

Our Child Development Center family welcomes you and your child to the Long Beach Unified School District’s Child Development Center.

Our program is served by an outstanding staff of professional teachers, administrators, and support staff whose sole purpose is to provide a comprehensive program in order to meet the needs of the children we serve. Our children are the most important members of our family. Parents are important partners in the education of our children and are invited to visit our sites. We look forward to working together with you in meeting the goals of the CDC program.

This handbook has been developed to provide you with important information about our program and policies.

Again, welcome to the Child Development Center!

Sincerely,
Cindy Young
Director
**Equal Opportunity Child Development Center**
The Child Development Centers of the Long Beach Unified School District do not discriminate on the basis of sex, sexual orientation, gender, ethnic group identification, race, ancestry, national origin, religion, color, or mental/physical disability in determining which children are served.

It is the responsibility of the public schools to teach mutual understanding and respect for individual and group differences. Such teaching shall be objective, just and fair, avoid doctrinal impact with respect to religious issues, and shall avoid any implication that specific religious doctrines have the support of state authority. The Child Development Center Program refrains from religious instruction or worship.

Child Development Center Programs are open to all students who may need program modifications in order to participate and understands the requirement of the Americans with Disabilities Act (ADA) to make and implement reasonable accommodations for such children. If your child is accepted to a Child Development Center and is a disabled student, and if you believe that he or she needs program modifications in order to participate in the program, please contact our designated representative, Section 504 Coordinator, Administration Building, 1515 Hughes Way, telephone number: (562) 997-8000.

**Reasonable Accommodation Policy**
Child Development Center Programs are open to students who may need program modifications in order to participate and understands the requirement of the Americans with Disabilities Act (ADA) to make and implement reasonable accommodations for such children. If your child is accepted to a Child Development Center and is a disabled student, and if you believe that he or she needs program modifications in order to participate in the program, please indicate this during the enrollment process.

The Child development Centers program reserves the right to terminate services if it is determined that it would be in the best interest of the individual child or group. The CDC programs can only serve those children whose needs can effectively be met by the program. Not all children can be successful in group care. Additionally, the program is limited by funding, adult to child ratios, specialized staff training, and may not be able to meet the needs of all children. Specific circumstances in which this may occur include:

- Aggressive, anti-social or unacceptable behavior to the extent the child’s safety or the safety of other children or staff cannot be guaranteed.
- Inability of the child to adjust to the group care.

Program Description
Educare centers provide before-and-after school care for elementary school age children. Centers are open from 6:30 a.m. to 5:30 p.m., Monday through Friday throughout the year except for legal holidays and holidays declared by the Board of Education. Full day child care is also provided at most centers on days elementary schools are closed for vacation. Kettering is the only Educare site that operates on the traditional school calendar. Therefore, it is not open during winter, spring, or summer break. Except in unusual circumstances, children must be attending the elementary school at which the center is located. Circumstances which require a child to be in attendance at another Long Beach Unified School District elementary school must have prior approval.

Using a variety of educational and leisure activities, the program:
- Extends and reinforces the regular school curriculum by assisting with homework, and by providing reading, writing, math and science activities/projects, role playing, and field trips often related to what is occurring in the regular school classroom.
- Encourages self-expression through songs, creative rhythms, music, drama art experiences, construction, and creative writing.
- Develops sensory motor and physical skills through individual and group games and sports, playground activities, and fine motor activities such as puzzles and manipulatives.
- Supplements the regular school program with activities related to developing the skills of artistic expression, crafts, cooking, sewing, construction, and physical education.
- Improves social skills through problem solving and participating in activities that foster responsibility and independence.
- Encourages the development of self esteem and respect for all people by providing a nurturing environment, multi-cultural experiences, discussion, and sharing.

Enrollment Requirements

- Once the child is signed in, the child may not leave the school campus until he/she has been signed out by the parent/guardian or other authorized adult.
- Child care services will be terminated if the parent/guardian fails to follow the above requirements.

Daily Health Check

  - All absences will be recorded and verified as to cause.
Parents must pay the fee for the days that children are not in attendance.

When a child is ill, district policy states that he/she must be excluded until his/her temperature or symptoms have been at a normal level for 24 hours.

When a child’s illness exceeds ten (10) consecutive school days, it is necessary that the parent provide a letter from the physician and date of release to return to the center.

In addition, there may be medical conditions with shorter duration that require a physician’s note in order for the child to return to the center.

If you child is going to be out, please notify the center the reason for the absence.

Medication

- If a child needs medication given at the center, please request and complete the form “Medication at School – Parent Request Form”. Medication cannot be given (including “over the counter” medication such as cough drops) until the form is completed by the physician/nurse practitioner, signed by the parent, returned to the center, and reviewed and approved by the school or CDC nurse.

Sun Protection

- Each school shall allow students to use sun-protective clothing, including, but not limited to, hats and sunglasses when outdoors. Each school shall allow pupils the use of sunscreen during the school day without a physician’s note or prescription. Sunscreen is not considered an over-the-counter medication. However, the Center must have written approval (a letter on an 8 ½ x11 piece of paper) or instructions from the parent prior to administering. This approval will be kept in the child’s family file at the site.

Fees

- Parent fees:
  - $25.00 per day - during the school year, a minimum of four hours is required.
  - $5.75 - will be collected for each additional hour above the four hour minimum during the school year.
  - $40.25 - full day for non school days (i.e. winter, spring and summer breaks)

- If a check is returned for inadequate funds, future payments for child care services must be in cash or by money order for the next 6 months.
Exclusion
A child may be permanently excluded from the program for any of the following causes:

- Conduct of child or parent/guardian that disrupts the smooth and efficient operation of the program and/or compromises the health or safety of a child or a staff member. “Per California Education code, 32210, 32211, and 44811, and penal codes, 415 and 626, disruptive behavior of a parent that affects the orderly operation of a Child Development Center can result in immediate termination of services from the program.”
- A false statement made by a parent or guardian on any provided documentation.
- Failure of parent or guardian to comply with district policies and procedures which govern the operation of the Child Development Centers.
- Failure of parent to maintain a current and accurate list of at least three persons that can be reached in case of an emergency.
- Failure of the parent or guardian to pay child care fees prior to child care services.
- Failure of parent or guardian to respond promptly when asked to remove child from center because of child’s illness, injury or behavior.
- Failure of parent or guardian to pick up the child by the center’s closing time. (Please see Late Pick-up Procedures which are defined below).

Termination of Services
- When child care services are terminated, a family may re-enroll in 6 months unless permanently excluded for any of the reasons listed above.
- Conduct of child or parent/guardian that disrupts the smooth and efficient operation of the program and/or compromises the health or safety of a child or a staff member. “Per California Education code, 32210, 32211, and 44811, and penal codes, 415 and 626, disruptive behavior of a parent that affects the orderly operation of a Child Development Center can result in immediate termination of services from the program.”

Late Pickup Procedures
- Each time a child is picked up after closing time, a form will be presented for the parent (or authorized adult) to sign. Should there be late pick ups, the following procedures will be implemented:
  - 1st time late – warning.
  - 2nd time late – suspended from the program the day following the late pick up and parent conference with the Coordinating Teacher. A plan will be developed by the parent and Coordinating Teacher.
  - 3rd time late – suspended from the program for five days following the late pick up and a parent conference with a CDC administrator.
  - 4th time late – termination from the program.

One late pick up will be dropped one year from the initial date it was incurred. Late pickups transfer with your child if the family changes centers.
Uniform Complaint Procedure
➢ The Uniform Complaint Procedure may be used by parents for complaints. The procedure will be provided to parents at the time of enrollment and annually thereafter.

Staff Qualifications
➢ Our teachers and coordinating teachers are required to meet certain educational qualifications and must receive their permits through the California Commission on Teacher Credentialing.

Reporting of Suspected Child Abuse
➢ All Child Development Center personnel are mandated reporters and are required by law to report any suspected child abuse. Anyone who fails to make a required report is guilty of a misdemeanor punishable by jail, fine or both.

Open Door Policy
Parents are important partners in the education of our children and are invited to visit our sites at any time to observe or volunteer. Parent volunteers must provide a current negative TB test, a copy of a valid picture identification card, and a completed LBUSD VIPs application. Once your documentation has been submitted, you will be notified and given a name tag so you can begin volunteering in your child’s classroom. If you are interested in observing the classroom, you must contact the Coordinating Teacher in advance to make the proper arrangements. A 30 minute appointment will be made to accommodate your request.

Classroom Policies
Cell Phone Usage
➢ Staff (while on duty) and parents are not permitted to use cellphones while in the classroom unless an emergency arises.

Classroom Management
The Child Development Centers program utilize a positive approach to guiding children’s behavior. Redirection is primarily used to redirect inappropriate behavior. If repetitive behavior persists, the parent will be contacted and together the teacher, CDC Guidance counselor and the parent will develop an action plan. Consistency is the key to guiding children. Cooperation from the parent is expected and required for continued enrollment.

Our classroom environments, schedules and activities follow all District requirements and are designed to capture the interest of children. Positive attitudes towards school, self, and long term changes in behavior are educational goals for each child. The staff focuses on positive and effective approaches in building self-esteem and teaching children how to develop self-discipline. Awards, special events and additional opportunities for student recognition help to build confidence and pride. The CDC staff maintains high expectations for student behavior. School rules, rights and responsibilities are clearly established as well as consequences for inappropriate behavior.
Strategies we use to help children learn respect and make positive choices include:

- Redirecting them to appropriate activities
- Removal from the activity or area in the classroom
- Consistent daily routine
- Developing behavior action plans
- Developing the classroom rules with children
- Positive reinforcement
- Giving choices with limits
- Teaching children how to calm themselves in frustrating situations

**Physical fighting, biting, hitting staff, throwing items, unsafe behavior will result in an immediate suspension.**

Additional information about pest management products may be accessed on the California Department of Pesticide Regulation website at www.cdpr.ca.gov.  

Most products used fall into the safest category, “caution”. The Long Beach Unified School District does not use any pest management products with the signal word “danger” except in a very limited case. Pest management products are applied when children are not present or when the treatment area has been restricted from unauthorized entry.

To register with the school district to receive notification of pest management product applications, complete the form below and return it to school. Registrants will be notified of applications at least 72 hours in advance. Annual registration is required to remain on the notification list for each school year. For information, contact the Operations Branch at (562) 663-3060.

RE: Educare Full Cost Fees

On days school is in session, the fees for full cost children are presently assessed at $________________________ per hour for a minimum of four (4) hours per day and a minimum of three (3) days per week, per child. On days school is not in session (winter, spring, and summer), the fee will be $_______________ per day. The daily fee is paid for every contracted day. There is no adjustment for absences including days of suspension.

At the time of enrollment a basic schedule will be established with you reflecting your child care needs. The weekly fee will be assessed on the basis of this contract.

An evaluation of daily hours used will be done for each week your child(ren) is enrolled. You will be notified the following week should there be an adjustment in your fee(s) due to your use of child care time exceeding your basic contract.

Adjusted fees will be due on the Monday following the notice of fee adjustment.

Consistent use of child care hours in excess of the basic contract would require an adjustment in the basic contract to better reflect your child care needs.

Sincerely,

CDC Director

To: LBUSD Preschool Program Parents/Guardians  
Subject: Daily Health Check for Each Child / Client

All parents or guardians who enroll children in district. Full cost preschool programs must comply with these provisions to maintain eligibility for services:

1. “No child shall be accepted without contact between the center staff and the adult bringing the child to the center.”
2. The center staff shall require that the adult bringing the child shall \textbf{REMAIN} until the child is accepted.
3. The adult who brings the child to, and removes the child from the center shall sign the child in / out.

The LBUSD Preschool Program’s health policy requires that children who have any of the following signs of illness will not be in attendance at the center: \textit{Fever 101˚F (oral) or 100˚F (under the arm) or more; general symptoms of illness such as: sore throat, heavy coughing, vomiting, ear pain, stiff neck, diarrhea, rash or headache.}

Although the first day of any illness is usually considered the most communicable period, your child must be excused until he / she has been free of illness symptoms for 24 hours and has a normal temperature for 24 hours.

We appreciate your cooperation in arranging the time necessary for compliance with the regulations.

I understand the regulations requiring a daily health check by a staff member before a child is signed in at the center. I will arrange for the adult who brings my child to comply with the requirements of the LBUSD Preschool Program.

PUPIL SIGN IN / OUT REQUIREMENTS

Dear Parent:

State of California regulations for the Child Development Centers legally require parents to sign their children in and out of the center on a daily basis. The following are specific legal requirements:

a. The parent/guardian or other authorized adult must write in the time of arrival and departure. (AUTHORIZED ADULT DEFINITION: A PERSON EIGHTEEN - 18 - YEARS OF AGE OR OLDER AND LISTED ON THE EMERGENCY FORM)
b. The entry must be signed with a full legal signature.
c. The full legal signature of the parent/guardian must match the application signature submitted during enrollment.
d. When signing in or out, all signature entries must be on the correct line.
e. All adults are required to have picture identification to show the center staff at all times.
f. When signing a child in or out, all adults must use blue ink only so that California State auditors know the sheet is an original and not a copy.
g. Contract hours that have been determined and set forth during the enrollment period must be followed by all adults dropping off or picking up children from the program. If contract hours are not convenient, the parent/guardian may work with the Coordinating Teacher to adjust the contract hours.
h. A child may not arrive at the child care center after 9:30 a.m. without prior arrangements being made with the Coordinating Teacher at the site. Reasons for arriving late might be a doctor’s appointment or family emergency and would occur rarely. For State Preschool, children must arrive no later than 15 minutes after class begins.
i. The correct time must be placed on the sign in and out sheet when signing a child in or out.
j. For School Age children, if a child is picked up early from the elementary school, the parent/guardian or authorized adult must sign the child out from the CDC.
k. If the parent/guardian or other authorized adult fails to properly sign a child in or out without a full legal signature and/or with the correct time stated on the sign in/out sheets, a warning will be given. After the third incident, child care services will be terminated. Warnings will be removed at the end of the fiscal year (July 1 – June 30). If the family changes centers, the pupil sign in/out warnings received at one center transfer to any future centers within a fiscal year.

The reasons for the above legal requirements are as follows:

• The State of California auditors determine earned reimbursement to the District for child care services based upon examination of attendance records including sign in/out sheets. Errors in these records negatively impact funding to the Child Development Program.

• When a child is not signed out of the CDC and is not present, the staff immediately initiates a search for the child. School and CDC personnel must survey the surrounding area. Phone calls are made to persons on the Emergency Information form, CDC Office, District Security, and the Police Department to ensure the child’s safety.

I have read this bulletin and I am aware of the requirements and possible termination from the program if my child has not been signed in/out accurately.

TO: Parents of Full Cost Latchkey/Educare Children  
SUBJECT: Fee Payment by Check

The Child Development Center Educare Program has established a procedure by which full cost Educare fees may be paid by personal check. This procedure requires that:

1. All fees be paid in the exact amount on the first day of the week of center attendance.
2. Payment maybe made by cash or check. Fees are due monthly.
3. Fees for the additional use of hours of child care over the contract will be paid the first day of the week the child is enrolled following a notification of the fee due.
4. A personal check returned for insufficient funds will result in:
   a. suspension of child care services until the total amount of the check, plus any bank charges, is paid in cash; and
   b. the requirement that for a period of six months all fees must be paid in cash.

Educare enrollment depends upon fees being paid for all hours of enrollment whether or not the child is in attendance.
