REPORT FROM THE EXECUTIVE OFFICER

REPORT FROM THE EXECUTIVE OFFICER

Gail McMahon, Executive Officer, reported that she and Vice-Chairperson Vaughan attended the PCASC (Personnel Commissioners Association of Southern California) dinner meeting on December 5, 2012. She reported John Gray from School Services of California was cautiously optimistic on the condition of the economy, especially as it relates to education. Mr. Gray indicated that full growth and the return of programs should be seen in about a year and a half.

Ms. McMahon gave a brief report on items of interest from the Board of Education meeting including the topic of the relocation of the Personnel Commission office to the Monroe school site as the Board acted to close Monroe at the end of the school year. She informed the Commission that many parents attended the meeting as they were concerned that Monroe, their neighborhood school, was going to close.

Marilyn Balmer, Personnel Analyst, reported a request to test for Grounds Equipment Operator I has come up at Avalon. Therefore, she will open several additional recruitments for the school in order to assure all present and future needs are met. In January, she and a member of staff will be conducting the exams at Avalon.

Dale Culton, Certification Services Manager, reported he and Executive Officer McMahon met with the Monroe staff to discuss the closure of the school. Chairperson Ulaszewski asked how many classified employees will be affected by the closure of the school. Mr. Culton said 23 classified employees are assigned to Monroe and he anticipates there will be positions available for each one of those employees at other sites. Valeeta Pharr, CSEA Chapter 2 President, requested a copy of the names and classifications of employees at Monroe.

Commissioner Ulaszewski commented about the location of Monroe school and the challenges which may be felt by some Commission customers to get to the new location. He suggested staff review options such as kiosks at other locations throughout the District for customers in the future.
